Ooh, ooh

Verse
Em   **G**maj7   **A**m7   **D**
Every time you come around, you know I can't say no
Em   **G**maj7   **A**m   **C**
Every time the sun goes down, I let you take control
Em   **G**maj7   **A**m7   **D**
I can feel the paradise before my world implodes
            Em   **G**maj7   **A**m* **C***
And tonight had something wonderful

Chorus
                              Em   **G**maj7
My bad habits lead to late nights endin' alone
                              Am7
Conversations with a stranger I barely know
                D   **Em**   **G**maj7
Swearin' this will be the last, but it probably won't
                Am   **C**
I got nothin' left to lose, or use, or do
                              Em   **G**maj7
My bad habits lead to wide eyes starin' at space
                              Am7
And I know I'll lose control of the things that I say
        D   **Em**   **G**maj7
Yeah, I was lookin' for a way out, now I can't escape
                              Am   **C**
Nothin' happens after two, it's true, it's true
                              Em
My bad habits lead to you

Bridge
            Gmaj7   **A**m7   **D**   **Em**

Verse
Em   **G**maj7   **A**m7   **D**
Every pure intention ends when the good times start
Em   **G**maj7   **A**m   **C**
Fallin' over everything to reach the first-time spark
Em   **G**maj7   **A**m7   **D**
It started under neon lights and then it all got dark
            Em   **G**maj7   **A**m* **C***
I only know how to go too far
