## Verse

Break it down softly finger picking

I need you to understand

Tried so hard to be your man

The kind of man you want in the end

Building up on this line

Only then can I begin to live again

An empty shell, I used to be

The shadow of my life was hangin' over me

A broken man, but I don't know

Won't even stand the devil's dance to win my soul

## Rap Section

Free Strumming

What we doin'? What we chasin'?

Why the bottom? Why the basement?

Why we got good shit, don't embrace it?

Why the feel for the need to replace me?

You on the wrong way track from the good

I want to paint a picture tellin' where we could be at

Like a heart in the best way should

You can give it away, ya had it and you took the bait

But I keep walkin' on

Keep rockin' dawns, Keep walking forward

Now the court is yours, Keep browsin' halls

'Cause I don't wanna live in a broken home. Girl, I'm beggin'

## Chorus

Mhh ye-e-e-ah

I'm beggin', beggin' you

So put your loving hand out, baby

I'm beggin', beggin' you

So put your loving hand out, darlin'

### Verse

Break it down softly finger picking  
I'm fightin' hard

To hold my own

Just can't make it all alone

I'm holdin' on

I can't fall back

I'm just a con about to fade to black

### Chorus

I'm beggin' beggin' you

Put your loving hand out, baby

I'm beggin', beggin' you

So put your loving hand out, darlin'

### Refrain

Just Bass (nothing else)

I'm beggin', beggin' you

So put your loving hand out, baby

### Refrain

Just bass and Drums

I'm beggin', beggin' you

So put your loving hand out

### Outro

I'm beggin', beggin' you

So put your loving hand out, baby

I'm beggin', beggin' you

So put your loving hand out, darlin'
