

Nancy Boy: Placebo

Intro [hard strumming, plam slap] **F x 4**

[Verse 1]

F

Alcoholic kind of mood

Bb

Lose my clothes, lose my lube

Cruising for a piece of fun

Looking out for number one

F

Different partner every night

Bb

So narcotic outta sight

What a gas **Bb***

What a beautiful ass

[Chorus]

F

And it all breaks down at the role reversal

Cm

Got the muse in my head, she's universal

B

Bb

Spinning me round, she's coming over me

F

And it all breaks down at the first rehearsal

Cm

Got the muse in my head, she's universal

B

Bb

Spinning me round, she's coming over me

[Verse 2]

F

Kind of buzz that last for days

Bb

Had some help from insect ways

Comes across all shy and coy

F

Just another nancy boy

Woman, man or modern monkey

Bb

Just another happy junkie

Fifty pounds, press my button

Going down

[Chorus]

F

And it all breaks down at the role reversal

[Verse 3]

F
Does his makeup in his room **Bb**
Douse himself with cheap perfume
Eyeholes in a paper bag **F**
Greatest lay I ever had **Bb**
Kind of guy who mates for life
Gotta help him find a wife
We're a couple
When our bodies double

[Chorus]
