And all that was real is left behind

[Pre-Chorus]

Don't fight it, it's coming for you, running at ya
It's only this moment, don't care what comes after
Your fever dream, can't you see it getting closer
Just surrender 'cause you feel the feeling taking over
It's fire, it's freedom, it's flooding open
It's a preacher in the pulpit and your blind devotion
There's something breaking at the brick of every wall it's holding all that you know
So tell me do you wanna go?

[Chorus]

Where it's covered in all the colored lights
Where the runaways are running the night
Impossible comes true, it's taking over you
Oh, this is the greatest show
