```
        C           F               G           F
If you wanted that star that shines so brightly
     C          F               G     F
To match the stardust in your eye
          C         F               G           F
Darling, I would chase that bright star nightly
           C       F          G     F
And try to steal it from the sky, and I would bring

And I'd ask him to keep that sand a-piling

Until your dreams had all come true, and I would bring
